

HAVE YOU GOT THE

Right Stuff?

BALTIMORE'S ALMOST FAMOUS ANNUAL EAST COAST NATIONAL CHAMPIONSHIP

From the American Visionary Art Museum—A race of wacky, imaginative, **TOTALLY HUMAN-POWERED WORKS OF ART DESIGNED TO TRAVEL ON LAND, THROUGH MUD, AND OVER DEEP HARBOR WATERS** constructed out of used bicycles, gears, and parts, created by a lunatic genius who tinkers around in the garage or backyard (Do you know this person?) The machines can be simple, small crafts, piloted by only one brave soul, or they can be over 50 feet long, extremely well-engineered, sophisticated vehicles powered by a team of pilots.

Pilots (Kinetinauts) compete for the most coveted **MEDIOCRE AWARD** (finishes right in the middle) and the highly prized **NEXT-TO-THE-LAST AWARD** (finishes, well, next to last) and serious prizes including **ART** and **ENGINEERING**. Scheduled to take place on Saturday, May 1, 2004. Have you got The Right Stuff? Now searching for **KINETINAUTS, PIT CREW, ARTISTS, ENGINEERS, VOLUNTEERS, TEACHER + STUDENT TEAMS, TEAM SPONSORS.**

For more information, call or write for THE RIGHT STUFF (The Very Official Kinetinaut Entry forms and rules) c/o Kinetic Mother Theresa at the American Visionary Art Museum, 800 Key Highway, Balto, MD 21230. Call 410.244.1900 or just check out our website at www.avam.org for more info.
